Dear Laboratoire Cattier,

I'm a big fan of your products and currently using two of them (Cattier Masque Argile and Cattier Gommage Argile). But I wonder how to check the batch code and expiration date of your products ? Please help me on that. Thank you so much.

Looking forward to your reply.

Regards,
Van Nguyen

Dear,

Thank you for your interest in our products.

Unfortunately, we cannot match batch code and expiration date.

If you need to know expiration date, please send me product name and batch code.

Have a nice week-end

Cordialement,

Best Regards,
